Meeting chaired by the Principal discussed the steps to be taken for accreditation cycle - II. Principal and IQAC coordinator explained the reasons for the delay in submitting IQAA and SSR. Since almost document wise preparations are almost in a stage of completion, meeting decided to submit the IQAA and SSR at the earliest. Meeting decided to execute the following measures in connection with the SSR preparation and current year activities.

1. The proposed SSR need to be now evaluated by an expert faculty at the earliest. Meeting entrusted IQAC coordinator to do the needful in this regard.
2. Discussed and the various quality initiative programs to be carried out in this academic year which included

the various programs proposed in connection with agricultural department and Grama Panchayat.

3. Since classes are conducting fully in the offline mode, IQAC suggested to give awareness programs on drug abuse, traffic rules and gender sensitization.

4. Meeting congratulated the Principal and faculty for achieving notable results in the degree examination.

Meeting ended by 12 Noon
