N S S COLLEGE RAJAKUMARI, IDUKKI

Academic year 2022-23

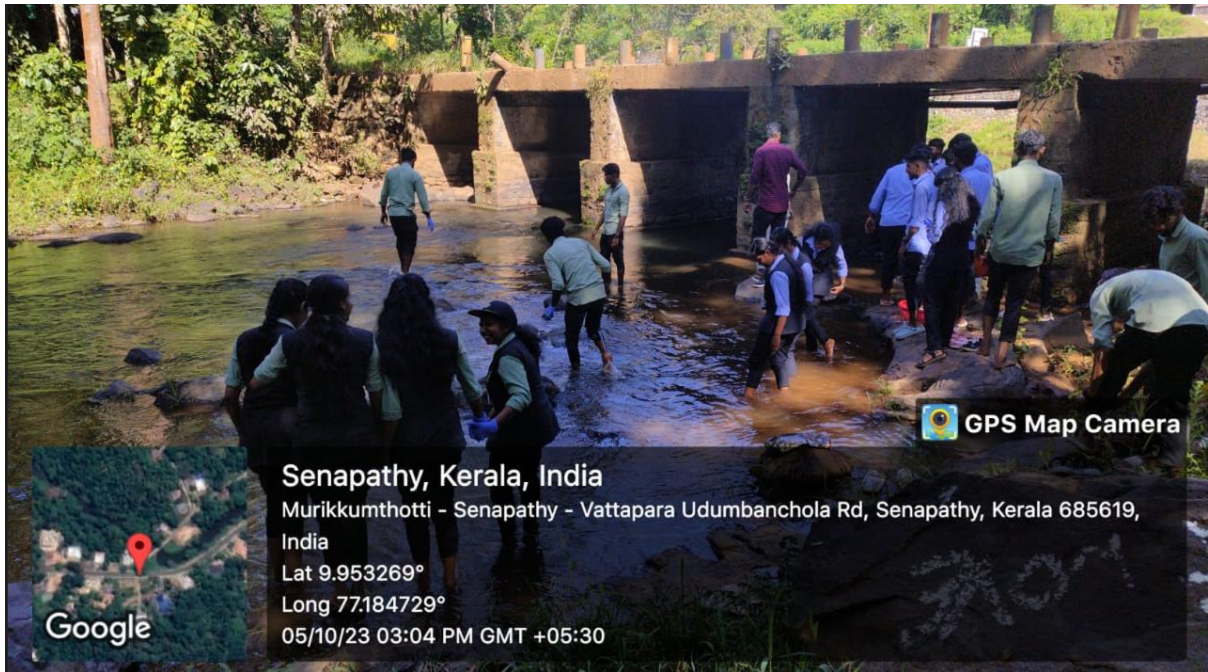

“Kaithangu” – Distribution of study material and school uniforms to the needy students of the adopted school.

Many students of nearby L P division of the Mar Basil H S S belong to financially backward families and their parents are not in a position to meet the expenditures in connection with the children’s education properly. The NSS volunteers of our institution expressed their desire to assist them and identified six students with severe financial insecurity. Text books for the current academic year and school uniforms have been distributed in favor of these students.

Cleaning the “Panniar Puzha” river stream

The river “Panniar Puzha” is the major source of drinking water for people residing in five panchayat nearby our college. It is observed that the river is badly contaminated with plastic waste, bottles and other debris. This could be a great health hazard for the beneficiaries of the river water. The volunteers cleared all the waste and disposed properly. This activity has been covered widely by the media including Doordarshan “Nattuvartha”.

Setting up of a vegetable garden in the college campus.

A plot behind the college campus has been identified for vegetable cultivation. The area is cleared off bushes and waste using earth mover. Afterwards the volunteers leveled the area and kept ready for gardening on 13.09.2023. They planted the seeds of beans, carrot, brinjal, ladies finger etc and proper watering is done.

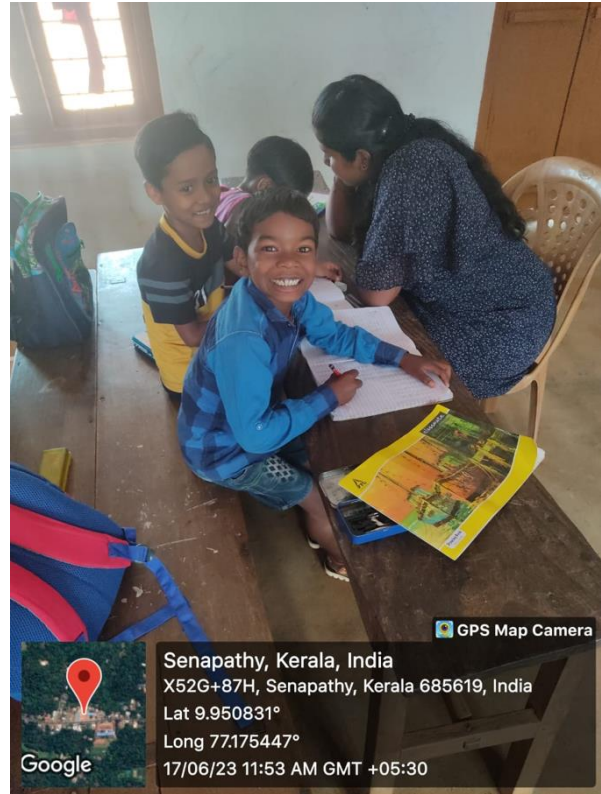

CPR Training Programme

CPR-Cardiopulmonary Resuscitation is a vital first aid for providing blood and oxygen to the lungs and other vital organs when a person meets an extreme medical emergency like cardiac arrest. Nowadays the cardiac issues are increasing dangerously among the people and it is very much important to educate the youngsters about administering the CPR in a proper way. A training programme in this regard is conducted on 26.09.2023.

Educational support to the migrant labourers' children

N S S volunteers of our college offered educational support to needy students belonging to migrant labour families studying in the adopted school. The volunteers offered free coaching class to students up to standard 10 during holydays. The overall academic standard of the students has been improved as a result of the educational assistance.

“Nakshathravanam”

The practice of planting and maintaining a specific list of trees in the college campus has been performed by the volunteers. The 27 species of plants corresponding each star of Malayalam calendar have been identified and planted in the campus.
